TOTAL	Pre-Order	Reg. Price
	\$293.58	\$332.58

OTHER COSTS (paper, CDs, spray mount, illustration boards, foam core, field trips, and portfolio)

Please be reminded that supply costs (over the cost of the above starter kit) will total approximately \$200 for the first academic year and approximately \$350 for the second academic year (see the Interview Book given to you during the Admissions process and the Academic Catalog).

Early in the first semester, students will need to purchase illustration boards and foam core that are not part of the above starter kit. If leftover illustration board is well kept, one sheet can handle several assignments.

When ordering, please email orders@antonelli.edu. Be sure to include your first and last name and note that you are ordering the graphic design starter kit.
